**Date: 23-03-2017**

**REF: Declaration about test reports applicable to TD1508 (FCC ID: 2AGMK-TD1508)**

Dear Sir or Madam:

**Libelium Comunicaciones Distribuidas S.L.** hereby declares that product Waspmote Plug & Sense! Sigfox US with FCC ID: XKM-WPS-SFX-V1 integrates the module Telecom Design radio model TD1508 with FCC ID: 2AGMK-TD1508.

We haven't changed the RF part and simply have integrated the module in our product.

The following test results of the module are valid, applicable and representative for the compliance of these products:

- Test report Part 15 (TRA-030878-47-00A)

As verification of the compliance of the device, the following testing has been performed:

Radiated Spurious Emissions

Sincerely,

---
